Key Features

- Superb Character 2 Bedroom Apartment in 17th Century Historic Building

Property Description

A character rich two bedroom apartment in the historic 17th Century Diamond Hall Building

Main Particulars

This stunning spacious 2 bedroom 2 floor apartment on the is full of character and charm. Diamond Hall was built c1680 by the equerry to King Charles II and is full of history on the very fringes of Bridgnorth low town. Situated just off the A442 and A454 allowing an easy commute to either Telford or Wolverhampton.

The front door leads into a high galleried hallway and up a small flight of stairs to the apartment door. Through which you enter into the spacious lounge with beamed ceiling and oak floor. A large aperture to the kitchen allows light to flood through filling the room and with staircase leading to the bedrooms and very well appointed bathroom.

Good sized lounge with beams, oak floor and 3 large windows

Intercom system to the front entrance

Kitchen has ample wall and base units with cooker and gas hob, also included is a washing machine and tall fridge freezer and ample cupboard space.

Upstairs the landing leads to one double and one single bedroom and the large modern yet classically appointed bathroom with large separate shower quadrant.

Central heating throughout.

Outside is a communal garden catching the evening sun and large cobblestoned parking area, with ample parking space. Included are two allocated spaces.
